Revealing Failure as the Path to Success

Wrestling with Success Podcast

Action Plan Episode #43

Aaron Walker

Today I bring you Aaron Walker. Aaron is a life and business coach. He draws on his 35 years of experience in business and marriage. He started his first business at age 18 and sold it 9 years later to a Fortune 500 company. Since then, he's started, bought and sold eight successful companies. Like me, he's a big believer in mastermind groups. He's been in personal masterminds with the likes of financial guru Dave Ramsey as well as with well known entrepreneurs, authors and success coaches Dan Miller and Ken Abraham. Today, Aaron spends the majority of his time helping men grow in success and significance as the President and Founder of View from the Top, a premier life and business coaching resource.
