Top Quotes From This Episode

"Mindset alone isn't enough to get you over the finish line. You also need experience, guidance, and mentorship."

"Success is getting what you want at the conscious level, but the thing with that is what you want at the conscious level may not be the best thing for you."

"It's not just about manifesting money, it's using money as a scorekeeper for you to understand how you can manifest outcomes in your life."

"Everything that we experience in our life is a result of a choice that we've made. Everything that we're seeing is the effect of causation between actions, habits, and behaviors that we've had."
